

Grade One Annual Day

Celebrating Annual Day provides an opportunity to showcase numerous talents and encourages each child to actively participate.

Grade One children presented their first annual day- "Khushiyon ka Pitara" on 8 December, 2022. It showcased a wonderful display of dance, drama, music and live singing by our little rockstars. Dance performances on different dance forms using puppets, books and balls along with a happiness medley thrilled and brought cheer to the entire audience.

Indeed, we all discovered that there is tons of fun in smallest joys of life.
