Heroes of Tomorrow

An opportunity for young Innovator, Entrepreneur, Tech Enthusiast, Artist, Musician, or someone with an innovative idea or products

'Heroes of Tomorrow', a contest launched by BML Munjal University, for school students of **Grade 11th & 12th** is yet another step by the university in imparting cognitive skills among school and college students and motivating them to think outside the box and innovate. 2020 is the 3rd edition of this contest.

This contest aims to recognize and nurture young talent to think of ingenious ideas to solve global issues like Covid19. During this global pandemic, the youth have stepped up and leaned in with creative and innovative ideas to bring joy, solve challenges, help those in need and provide balance to the disbalanced ecosystem.
