

INTERACTIVE SESSION ON INTELLECTUAL PROPERTY RIGHTS - CLASS XI

An interactive session was conducted by the Ministry of Commerce and Industry on Intellectual Property Rights, for the students of class 11, on Monday the 3rd of December. The main agenda of this session was to emphasize the meaning of Intellectual Property and to discuss the enforcement of infringement rights to enable them to be informed consumers and citizens. The discussion was a healthy one, where the students were free to express their views and raise questions. It was an engaging and insightful experience.
