

Independence Day and School Birthday Celebrations

Junior school celebrated Independence Day with a lot of fervour! The flag hoisting ceremony, followed by singing of the national anthem was the highlight of the day for all the students. Class V-F conducted an assembly on the importance of being good citizens and how each one of us can uphold the values that are highlighted in our constitution. Children across classes participated in various activities such as discussing an interesting and informative PPT about various freedom fighters and their contribution to the freedom struggle of India, the significance of the tricolour and the current leaders ruling the nation. Singing of songs and reciting poems on India helped children appreciate their motherland in its full glory.

This was followed by the school birthday celebrations, where children sang birthday songs for Sanskriti School and promised to imbibe all the ethics and principles the school stands for. Apart from this, children participated in various activities such as making virtual birthday cards, drawing birthday cakes with decorations of sequence and glitters, and taking a walk around the school building to admire the balloon decorations done everywhere.

Throughout the day there was excitement amongst all the students, and they had a wonderful day indeed!!
