

### **International Conference of Young Social Scientists (ICYSS)**

Three students from our school- Navye Anand (Grade 10), Anannya Shetty (12G) and Manomay Ghoshal (12I) participated in ICYSS 2022.

International Conference of Young Social Scientists (ICYSS), is a specific individual competition of research papers in

- Psychology,
- Sociology,
- Geography,
- History and
- Economics.

The founders of this conference are Centre for Young Scientists (CYS), REGIONAL CENTER FOR TALENTED YOUTH BELGRADE, SERBIA.

Navye participated in the Economics category and Manomay and Anannya in the Sociology category.

We are extremely happy to inform you that they won this international event in their respective categories.
