

## JUNIOR SCHOOL HOLIDAY HOMEWORK

We all look forward to our Summer Vacation. This year, they are going to be a little different as we will mostly be at home.

For Classes Nursery to II the Holiday Homework is recapitulation of the work done till date along with some creative and fun activities. It will be sent in the \*Parents login\* on 20th May.

The Holiday Homework for grades 3, 4 and 5 has been designed to help develop the Higher Order Thinking Skills in the young learners. The students are expected to apply, synthesise and evaluate information instead of simply recalling facts studied in class.

The homework would be uploaded on the respective \*subject google classroom\* on the 20th of May, 2020 by 9pm.
