

Junior School Carnival Celebrations!!

The junior school virtual carnival celebrations held on 18th December, 2021 were full of vibrancy and fun! The event began with the class teachers taking the students on a trip down memory lane through a video that showed how Christmas celebrations used to be held in school during earlier years. Carol singing by the junior school choir added to the nostalgia.

This was followed by exciting activities, involving both teachers and students, such as dancing on carols, watching short Walt Disney videos on X-Mas, making delicious bread donuts and chocolate pinwheels, tracing and cutting cute santas and Christmas trees etc. The myriad of activities also included a fancy dress competition, a Just-a-Minute session on 'If I was Santa' and a talent show where children got a chance to showcase their mimicry, singing and juggling skills.

A day full of exhilaration, children welcomed Christmas with a lot of joy and cheer!!
