

Dear Parents

We hope you are well and keeping safe.

In view of the rapid spread of Covid-19 and as per the DoE circular dated 21 April 2021, the school has decided to commence the summer break for Grades VI-VIII from Monday, 26 April, 2021 till the 7th of June, 2021. We understand that these are trying times and family is our primary pillar of support at present. Let us use this time to provide each other with love, care, hope and positivity.

In order to keep our students fruitfully engaged and in touch with the various concepts they've been taught so far, their teachers will be uploading some holiday homework in the respective Google Classrooms. This is also vital to bridge the learning gaps that were identified at the end of the last, very challenging academic session. Moreover, remedial and parallel support to the students who require it will be provided for the next two weeks. The schedule for these classes will be shared via Google Classrooms.

The school will also be organizing a camp during the break, which our students have the option to attend. We sincerely hope these optional activities as well as the remedial classes will provide our students with the much-needed anchoring and socio-emotional support during these testing times.

We hope and pray for the good health of all members of the Sanskriti community. Thank you for your continued support.

Yours Sincerely

Principal
