Literary Day was celebrated in school from December 2 to December 4 for the students of Middle school learning various Foreign Languages.

All grades had different and varied activities to perform ranging from short animation movie show to playing quizzes to Google slides presentation on topics like Environment protection, Festivals , Sports etc.

- Grade 6 students were shown **short animated films** in French German & Spanish, which was **followed by an interesting online quiz** .
- Grade 7 students created logos and thought of their punch line in the foreign Language . They presented the same through a **Google Slide presentation** .
- Grade 8 presented a **Google Slide presentation on festivals and sports**.

All Foreign Language teachers conducted these activities in their respective classrooms in the allotted slots.

The students participated in these activities with a lot of zeal and fervour and enjoyed them thoroughly.

E-Certificates to appreciate the top performers were awarded after the respective activities.

It was a well conducted event which gave an opportunity to the students to break the monotony and explore a particular foreign language beyond the regular classroom learning.
