

Maths Competition Results

Events hosted by : Ryan International School, held on 21-22 October, 2021.

Arvoitus 2.0 was an amalgamation of events that test analytical abilities, response in unprecedented situations and creativity of students. Various schools participated in Megamind of class VII-VIII in which students were asked questions based on Maths and Science through Quizziz.

Aayush Mahapatra of 8 C represented our school and secured second position.

Arush Chatterjee and Chirag Sehgal of grade 11 secured second position in "Math-O-Vision", A total of 18 schools participated in this competition.

Congratulations to Aayush, Arush and Chirag
