##### **Dorothy:**

But it wasn't a dream. It was a place. And you and you and you . . .and you were there. But you couldn't have been, could you? No, Aunt Em, this was a real truly live place, and I remember some of it wasn't very nice, but most of it was beautiful – but just the same, all I kept saying to everybody was, "I want to go home," and they sent me home! Home. And, this is my room, and you're all here, and I'm not going to leave here ever, ever again. Because I love you all.And . . . Oh, Auntie Em! There's no place like home

*-from The Wizard of Oz*

II)

That scoundrel Tumnus is as good as gone when I get my hands on him. Imagine, finding a daughter of Eve and not telling me....I must remember to make my surveillance and influences stronger. Then to meet the human who goes by the name of Edmund. He is a brat. I gave him a drink and some food and then he told me that he had two sisters and one other brother...

*-The White Witch Monologue, The Chronicles of Narnia*

III)

There will be no foolish wand-waving or silly incantations in this class. As such, I don't expect many of you to appreciate the subtle science and exact art that is potion making. However, for those select few who possess the pre-disposition, I can teach you how to bewitch the mind and ensnare the senses; I can tell you how to bottle fame, brew glory, and even put a stopper in death

*-Severus Snape, Harry Potter and the Sorcerer's Stone*

### **WONKA**

Bless you Charlie, you did it! You did it!!!! I created this contest with one purpose in mind. To find the perfect person to make new candy dreams come true. This was a test of character Charlie. I carefully selected rooms that would tempt each of our Golden Ticket winners. You, Charlie, did something quite remarkable. You gave in to temptation, you were smart enough not to get caught-and yet, you admitted your guilt. Charlie, do you love my Factory? Because from this moment on, it's yours!

*-Willy Wonka from Charlie and the Chocolate Factory*
