The format for this year’s quiz was a Preliminary Round (Eliminator round) and a Final round (Decider round). 12 teams took part in a live quiz on the quizzing platform “Kahoot!” for the preliminary round. Based on their performance, the top six teams advanced to the decider round. This fun-filled round included a variety of different segments ranging from pictionary to buzzer rounds and lightning to jeopardy. Participants had a competitive spirit at all times trying to be fast and accurate and the timer kept them on their toes. The winners of the event were:
