

Dear Students and Parents,

Students must have taken your Mindler Career Assessment already! But, wondering what all the scores in the Report mean?

To help you with this, we bring to you a webinar on Report Interpretation. The Mindler Career Assessment deep dives into 5 aspects- Orientation Style, Personality, Aptitude, Interest, and Emotional Quotient. It gives an insight into students' careers from a scientific and research-based perspective.

In this webinar, you will get to know what the scores mean and how they shape the best-fit career matches for you.

Topic: Group Career Report Interpretation

Date: 8th October 2022

Time: 10:30-11:30 AM (IST)

Grade: 10

Link to join - will be sent via student's google classroom and their school email ID

So, join the webinar to understand your career report and plan out your career in an informed way. Please note that the session is for both students and parents.
