DIWALI FETE-2022, MODERN SCHOOL, BARAKHAMBA ROAD

The Learning Center students along with the educators: Ms. Ishita Nagpal and Ms. Akshita Arora went to Modern school, Barakhamba road. As a tangible step towards promoting an inclusive and pluralistic society and, to make inclusivity - a reality, the School has recently set up “SPORTABILITY”, an Inclusive Sports Academy, which is a functional model for providing platform and infrastructure to people with diverse abilities, facing neurological and physical challenges.

To promote creativity, bring out the creative talents of students with ‘Special Education Needs’ and provide them an opportunity to showcase it, the School invited the students to present their performing art skills during Diwali Fete of the School, which was organized on Saturday, 22nd October 2022 from 9.30 a.m. onwards in the School.

The event was very well planned. Our students Srishty Kumari, Grade 8 and Swati Kumari, Grade 6 participated in the solo dance performance.

Following Students from Grade 6 and Grade 8 set up a stall at the fete of the products created by the students of the Learning Center itself:

1. Ayisha Parveen, Grade 6
2. Kanishk Nagar, Grade 8
3. Laggan Bhatt, Grade 8
4. Piyush Rai, Grade 8
5. Anaitha Chauhan, Grade 6

Learning center children showcased their talent by setting up a Diwali stall, which had all the decoration items such as diyas, torans, decorating stings, candles, brownies etc.

The main focus was to inculcate the skills required for selling these products and money management.

There were stalls of eateries and different Diwali products with lots of swings.

Our students were also given participation certificates. Children had a wonderful learning experience.

Srishty enjoyed her soulful dance..
