

## Spacetrax International Aerospace Olympiad.

Sanskriti School is proud to announce that Mohit Mahapatra of class XII-B secured the 3<sup>rd</sup> International rank in the Spacetrax International Aerospace Olympiad. It is a prestigious event organised by Spacetrax Aerospace Education & Research Organization for students interested in the field of Aerospace.

We congratulate Mohit for his hard work and success and hope he will bring in more laurels for the school and the nation.
