

## Sanskriti School

Dr. S. Radhakrishnan Marg  
Chanakyapuri, New Delhi -110021

Sanskriti School is happy to share the news that Parth Sarthi, studying in class XI E is the proud recipient of the Pradhan Mantri Rashtriya Bal Puruskar (the National Child Award) for his unsurpassable and relentless social service done to reunite children with their parents on the basis of their Aadhar details. He was felicitated by the Hon'ble President of India at the Rashtrapati Bhawan on Jan 22, 2020. He was also felicitated by the Hon'ble Prime Minister of India on Jan 24, 2020. Our hearts filled with pride to see Parth participate in the Republic day parade on Jan 26, 2020.

Parth organized various Aadhar camps for the children which allowed him to find children who already had Aadhar IDs and thus he was able to locate their families. His multiple Aadhaar campaigns' outcomes have been quantified as more than twenty parents as of January 2020 have been located and children from states all over India have been reunited. He is also an accomplished Violinist, founder and director of Raasta Foundation, an NGO working for marginalized children.

We are very proud of Parth's achievements and wish he brings many more laurels to his family and school.
