Recognizing our Budding Ramanujans

Mathematical Science Foundation in association with K.R Mangalam University and MediaGuru conducted '**Recognizing Ramanujan Competition**' an innovative competition for grades VI to XI on Jan 31, 2020 to seek out young minds whose thought processes are aligned and focused towards the efforts required in the field of research in mathematical sciences along with the uses of modern technology in mathematics.

The results of the competition were declared on 17th March, 2020. Navvye Anand of Grade 8 and Sanchit Mahajan of grade 10 made us proud by getting recognized as Budding Ramanujan under the Middle and the Senior category respectively.
