

Dear Parent/Student,

We hope you and your family are healthy and safe during these uncertain and unprecedented times of COVID-19.

The [ClimateScience Olympiad](#) is a FREE global competition, engaging youth aged 12-25, to find solutions to some of the most challenging climate issues & Sustainable Development Goals (SDGs). The event is organised by ClimateScience, a UK-based educational charity focusing on climate solutions, who have reached a global audience of over 1 million monthly learners through multiple educational initiatives.

There is a US \$ 15,000 prize pool for the top 10 teams with opportunity to speak at the United Nations Climate Summit, COP27, held in Egypt.

---

### **Requirements**

#### **Free to enter**

Registration Link - <https://cso22.climatescience.org/signup?partner=iof>

### Benefits for participants

- All participants will be awarded an e-Certificate.
- Participants must seek innovative solutions to problems related to climate change, a process in which they develop skills such as problem solving, research, analysis, synthesis, and autonomous learning.
- Chance to win from a prize pool of US \$ 15000 and Opportunity to speak at COP27 held at Egypt.
- To prepare, students can use [CS Quiz app](#) and [CS courses](#).
- Students will also get a special invitation to join the [Olympiad Discord server](#) and interact with participants globally.

### Benefits for School

- Creating awareness towards Climate Control initiatives world wide.
  - Worldwide recognition of your School if your students make it to the top.
  - Exposure to International Students/Events for your students
  - Appreciation Trophy/Certificates/Gifts for the School/Principal/Coordinator if 500 or more students enroll from your school.
-

In 2021, the ClimateScience Olympiad reached thousands of participants, in over 149 countries, and held its award ceremony at the United Nations Climate Summit (COP26) in the UK, with guest speakers including Dr. Jane Goodall, DBE, and Dr. Renate Christ (fmr. IPCC Director).
