

Report on Prize Distribution

On May 2, 2019, the school organised a prize distribution ceremony for middle school to recognize the achievements of young Sanskritians in both scholastic and co-scholastic areas. It also acknowledged the positive traits that they possess and encouraged children to work harder to achieve their desired goals. The chief guests for the day were Ms. Vrinda Sarup, a 1981 batch Indian Administrative Service officer and Ms. Poonam Singh, an experienced educator, who despite their busy schedules consented to grace the occasion. The program began with a melodious song by the middle school choir, which soothed everyone's heart and lifted their souls with joy. The lighting of the lamp followed the song. Then the Principal of the school, Ms. Richa Sharma Agnihotri and the honourable Chief Guest enlightened the gathering with their inspiring and motivational words. Prizes were then given away to the awardees. Last but not the least, the parents encouraged the prize winners by their applause and their presence, which made the ceremony even more memorable.
