Dear Parents

It is a matter of great concern that despite the school's reservations about the use of private van (often illegal cabs with white/private registrations number plate) for ferrying children to school, many children still continue to use of these for commuting. A circular regarding the same has been issued by the Directorate of Education NQ. NO.PS/OE/2018/506 dated 26/12/2018(copy enclosed), stating the following

"It is to bring to the notice of the Principal/HoSs of all Private Unaided Schools that the concerned school administration shall be held responsible for non-compliance of the Hon'ble Supreme Court directions by the school vans/cabs being used to ferry students of their schools. especially in cases where such school vans/cabs (owned by school or hired by parents) met with accidents resulting into injury/death of the school children. The necessary action under DSEAR 1973 shall also be taken against the defaulting schools in case such unfortunate accident happens."

In light of the above and rising cases of accidents involving private cabs/vans, it becomes imperative for School to again urge you to begin using the much safer option of the school bus compared to private cabs/vans for commuting to school. The school bus is an environment friendly and safe option whereas many of the vans are plying illegally in Delhi without requisite sanctions and papers.

In case, at present there is no School bus from your area, please do contact the transport department of School to find possibility of modification of existing' routes or creating a new School bus route (If feasible). If there is no alternative to using the van for you, please ensure that the cab has yellow/commercial number plate and furnish the following details to Transport Department of School via Email to transport@sanskritischool.edu.in or WhatsApp: 8700584581 latest by 15/10/2022:
