Dr S Radhakrishnan Marg
Chanakyapuri, New Delhi- 21

**Sanskriti School welcomes Mrs Pammi Gauba,
Chairperson, the Civil Services Society.**

It gives us immense pleasure to welcome Dr Pammi Gauba as the Chairperson of the Civil Services Society. Dr Gauba is an educationist of note and has had a trailblazing career in various universities in India and abroad.

She completed her Masters in Organic Chemistry and PhD from Rohilkhand University wherein the focus of her research was "Incidence of Lactose Intolerance in cases of Infantile Diarrhoea". Currently she is the Head of department, Biotechnology at JIIT. Prior to joining JIIT Dr Gauba worked as an adjunct lecturer in Marymount College, Arlington, USA and Nova College, Alexandria, USA. Apart from teaching in various colleges she also worked in NCERT as a Research Associate and lecturer. She has 35 research publications in International Journals to her credit and more than 50 Publications / presentations in National and International conference proceedings. She is also a member of several Professional Bodies/ National/ International Committees.

We are indeed privileged to have such an experienced and distinguished personality as our leader. Under her guidance, Sanskriti is sure to attain greater heights and maintain its position as an institution of excellence. All members of the Sanskriti family look forward to working under her visionary leadership.
