Grade IX

The image features a student's hands writing on a notebook. A large teal circle is centered over the text. Surrounding this circle are several icons: a puzzle piece in a white circle, a lightbulb in a yellow circle, and a thumbs-up in a red circle. There are also several smaller solid circles in orange, red, yellow, and white scattered around the main teal circle.

Grade IX

- For CBSE registration, parents are requested to fill in the required form carefully checking spellings of the name, date of birth, etc. and submit it before the due date.
- Aadhar card number will be needed for the same and if the student is not a citizen of India, valid passport of that country (Number) will be needed.

A person's hands are shown writing on a document with a pencil. A large teal circle is centered over the image, containing the word "Assessment" in white. Surrounding the teal circle are several smaller circles in various colors (orange, red, yellow, white) containing icons: a puzzle piece, a lightbulb, and a thumbs-up. The background is a blurred image of a person writing on a document.

Grade X

Introduction of two levels of Mathematics for All India Secondary School Examination from the Academic Session ending March, 2020 onwards.

- Two levels of Examination will be held in the subject of Mathematics in the Board examination for Class X in the year 2020 and the same shall not be applicable to the internal assessment in class X.
- First level would be the same as the existing one- **Standard level**, and the other would be an easier level- **Basic level**.
- The Standard level will be meant for **students who wish to opt for Mathematics at Sr. Secondary level** and the Basic level would be for students not keen to pursue Mathematics at higher levels.
- A student will have the **right to choose** between the two levels of Examination only till the time of registration.

Challenges faced by your child:

- Peer pressure
- Managing stress
- Handling relationships
- Growing up issues
- Substance abuse
- A way forward in career

Solution:

Have an effective dialogue with your child

Parents Do Influence Their Children

You're probably the most influential person in your child's life.

Teens highly respect their parents even though many of them don't want to admit it.
