

Dear Parents

This is to inform you that due to the high AQI index, the Annual Sports Day is being postponed until further notice. All sports events, march past, drills, dance, and drama will be held as per the schedule, as and when we are able to finalise another date.

Students and teachers have put in a lot of effort and are extremely disappointed, however, the health and safety of our students is of supreme importance and we will ensure that we hold the event as soon as the weather is more conducive for an outdoor activity of such a grand scale.

We deeply regret this last-minute cancellation and look forward to your constant support and cooperation.

Thank you!
