

Annual Examination Answer scripts

March 19th 2020

Dear Parents

World Health Organisation has deemed corona virus, which causes the disease COVID-19, a global pandemic. Confirmed cases of the same have increased exponentially and the virus has infected hundreds of thousands of people around the world. Of all the preventive measures suggested, the most important one now is avoiding large gatherings since the virus easily spreads from person to person.

Given the current circumstances and as suggested by quite a few parents, we have decided that the answer scripts of Annual Examinations will not be shown on 25th March, 2020. The decision has been taken in the best interest of our students, parents and teachers. Thus, the result will be uploaded on the school website. The answer scripts will be handed over to the students when the school reopens.

We look forward to your cooperation and understanding.

Warm Regards

Principal
