April - May 2024

“Minds are like parachutes. They only function when open.”
~ Thomas Dewar

Dear Parents,

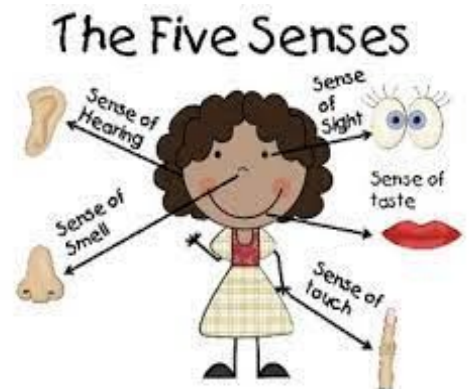

We extend a warm welcome to all of you this year as we continue with the learning journey of your child. We seek your support in helping our children make a smooth transition into formal learning. Our endeavour is to make this journey a stress free and enjoyable experience for our children. We are indeed looking forward to a great year ahead!

We will be updating you about the curriculum that we follow through the newsletter which will be uploaded on the school website at the beginning of each month. It is our sincere request to you dear parents to make a note of the information shared as this is an important link between school, children and parents.

The concepts and topics that will be taught and reinforced during the month of April and May are as follows:

Environmental Studies:

In EVS, children will learn about ‘Me and my senses’ They will learn about different senses through various hands on activities and stories.

ENGLISH:

- Recap of phonetics (A-Z)
- Revision of 3-letter CVC words (e.g. cat, pet, lip etc)
- Introduction to lowercase alphabet writing (l, t, i, o).

HINDI:

- Hindi akshars to be introduced for the first time in a fun filled and exciting ways.
- Akshars to be introduced - ब, व, क

NUMBER WORK:

- Quantification of numbers through concrete materials.
- Revision of numbers (0-9).
- Introduction to writing of numbers.

ART : Children will learn finger painting, self-portrait, doodle trees and stamp flowers.

CRAFT : Children will strengthen their fine motor skills through tearing/pasting, texture work, crazy hair craft, orange juice craft and jelly fish.

MUSIC : Children will

DANCE: Children will groove to the beat of Hawaiian dance and friendship song.

CLAY : Children will learn to make different objects like sun, moon, rainbow and clouds.

P.E. : Children will do warming up and stretching exercises. They will also strengthen their gross motor skills through walking on the shapes and getting involved in balancing activities.

With lots of learning and fun to do, we're looking forward to a month full of joy and inquisitiveness with our little ones. To make our learning an enriching experience, we look forward to your support and cooperation.

Warm Regards
Team Prep
